Tuesday 14th September Whole School Performance "The Wizard of Oz"

Friday 24th September Last day of Term 3

Monday 11th October First day of Term 4

Government of South Australia

From the Leadership Team

Dear parents and caregivers,

On Tuesday 7th September, 12 of our students performed on stage at the Entertainment Centre as part of the Public Primary Schools' Festival of Music.

The Primary Schools' Festival of Music, an official state icon, is a public school-based music education program which is a collaboration between the Department for Education and the SAPPS Music Society. It gives all SA public primary school students the opportunity to perform at a prestigious venue. The performance was called "Stars in the Arena". The concert was a spectacular sea of colour and in between the choir songs, there were a number of assisting artists from public primary and secondary schools, other choir items that presented different musical genres, and two pieces that specifically showcased the talents of the orchestra. It was a spectacular event that our students enjoyed being a part of and we were very proud of them.

A HUGE thank you to the amazing Ms Laura who spent hours rehearsing, organising and preparing for the outstanding performance.

On the 14th of September we are excited to present our very own Wandana Drama Production "The Wizard of Oz". There will be two performances - one at 1:30pm and an evening show at 6:30pm. We hope to see you there. If you need more information please don't hesitate to contact the school.

Social Intelligence with Koom 15

Social Intelligence is the ability to be smart about feelings - our own and other people's. It involves being able to notice, understand and act on emotions in an effective way.

Talking about challenges and feelings helps build Social Intelligence.

This is what we said helps to build Social Intelligence.

- Learn to read how people are feeling by looking at their faces, posture and hands.
- Listen to what people are saying and their tone of voice so you know how they are feeling.
- Know what you can do to help self-regulate yourself.

We realised that doing lots of teamwork activities helped us to build our social intelligence. Here are some photos of us having fun working with a partner or in teams challenging ourselves.

We listened to each other to put the pictures in the correct order.

Teamwork and problem solving was needed to create our own zoo.

Working as a team to make a marble run. At times it was very frustrating but we listened to everyone's ideas.

Working together, taking turns and helping each other was important to create our interesting sentences.

We had to keep calm and keep trying to solve the problem. We had to try lots of different strategies.

Can you work out how

more than one way to

solve the problem and

make groups of 10.

many legs? There is always

It was important to listen to each other and give suggestions to help put the numbers on the number line.

Father's Day Stall

A huge thanks to our wonderful parent volunteers Kayla, Cindy, Rachel, Fouzia and Crystal (not pictured) who set up, organised and made our Father's Day stall a huge success!

RUOK? Day

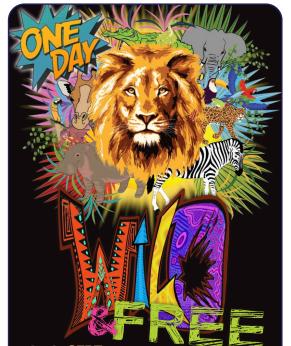

R U OK? Day is Thursday 9 September 2021. It's our national day of action when we remind Australians that every day is the day to ask, "Are you OK?" if someone in your world is struggling with life's ups and downs.

This year the message is Are They Really OK? Ask them today.

Do you know how the people in your world are really going?

Life's ups and downs happen to all of us. So chances are someone you know might be struggling. Your genuine support can make a difference whatever they are facing, big or small.

So, don't wait until someone's visibly distressed or in crisis. Make a moment meaningful and ask them how they're really going.

ROL N

Wa:tji Puly

During term 3 our weekly sessions with Aunty Judy have focussed on the Ngarrindjeri Dreaming of Wa:tji Pulyeri (the Blue Fairy-Wren). This Dreaming reminds us that while we are all interconnected we each have our own unique characteristics, and that individuality is a very important part of our identity.
